

UK energy statistics: statistical press release – March 2020

[Energy Trends](#) and [Energy Prices](#) publications are published today 26 March 2020 by the Department for Business, Energy and Industrial Strategy. The publications cover new data for the fourth quarter of 2019 (October to December) and thus provisional annual data for 2019. This press release focuses mainly on the 2019 annual data. Energy Trends covers statistics on energy production and consumption, in total and by fuel, and provides an analysis of the year on year changes. Energy Prices covers prices to domestic and industrial consumers, prices of oil products and comparisons of international fuel prices.
