

# UK energy statistics: statistical press release – September 2020

[Energy Trends](#) and [Energy Prices](#) publications are published today 24 September 2020 by the Department for Business, Energy and Industrial Strategy. The publications cover new data for the second quarter of 2020 (April to June). Energy Trends covers statistics on energy production and consumption, in total and by fuel, and provides an analysis of the year on year changes. Energy Prices covers prices to domestic and industrial consumers, prices of oil products and comparisons of international fuel prices.
