

## [World Cancer Day](#)

Today is World Cancer Day.

**Half of the people in the UK will be diagnosed with cancer at some point in their lives. 38% of those diagnoses will have been preventable.**

## [Calling Lib Dem Campaigners](#)

We send out a lot of emails.

**One of the groups of people we email are Lib Dem campaigners.** They receive resources for local literature, templates and bulk buy deals, local and online campaigns training and support for holding local events.

## [By-Election Summary, 1st February](#)

There was just the one council by-election last night (plus one to the non-partisan City of London Corporation). **Charles Lister** stood for the Lib Dems in **Warlingham ward, Surrey County Council** and secured a solid result – closing the gap between us and the Conservatives from 27% to less than 10:
