[The next steps on the supporters' scheme](#)

Following the all member survey and consultation on setting up a registered supporter scheme the Federal Board met on 15 and 22 October.

At the first meeting we saw the results of the survey and at the second the rapporteur notes of the various consultation events around the country.

We discussed these results and your comments and queries and considered the next steps.

Government defeated on death penalty assurances

Last night the Conservative Government was defeated in the House of Lords, with peers voting for a Liberal Democrat-backed amendment that **will prevent the death penalty being used in cases where the UK has provided electronic data.**

We marched

In July 2016, in the aftermath of the referendum, the Liberal Democrats were a lone voice calling for a final say on whatever deal was done on Brexit.
