

[Elect a local champion on the 3rd May](#)

There is a secret phenomenon in British politics.

It is occurring in by-elections all over the country, week in, week out, to local authorities from Sunderland to Somerset.

Against the Tories. Against Labour. In Leave areas. In Remain areas.

[Swinson: Excess packaging around Easter Eggs leaves bitter taste in the mouth](#)

Swinson's report, which outlines the use of plastics by all major Easter egg manufacturers, highlights the need for companies to cut down the use of plastics to protect our oceans and reduce the amount of unnecessary plastic waste ending up in landfills.

[We've only got 365 more days to stop Brexit.](#)

We're launching the **BIGGEST** most **AMBITIOUS** campaign the Liberal Democrats have ever run outside an election.

Why?

Quite simply, we want to stop Brexit.

And why now?

Well, it's a year since Theresa May's calamitous government triggered 'Article 50', formally starting the process for the UK to leave the EU.

A UK torn apart from its closest friends and neighbours is not a future we want and not a future we are going to stand by and let happen.

We've still got time to Exit from Brexit and we're ramping up our campaign. **Big time.**

[Couples in Northern Ireland deserve equality – and our support](#)

I couldn't have been prouder of Lynne Featherstone and the Liberal Democrats in government when we changed the law in England, bringing in equal marriage.

It is, without doubt, one of the best things our party did in government.
