

Gove announcement is an insult to British farmers

Today, in a speech on his vision the future of our farming industry DEFRA Secretary Michael Gove has called for a move away from what he claims are farming “subsidies for inefficiency”.

Empty Homes Campaign Pack

On Monday the Liberal Democrats got into the national press after exposing the failure of council's up and down the country to claim funding they're entitled to to bring empty homes back into use.

A template press release on this issue has already been sent out for you to use in your local area. We've now also produced a number of other templates to help you campaign on this issue.
