[The Government must listen after UC defeat](#)

Liberal Democrat Work and Pensions spokesperson Stephen Lloyd MP said:
“The government has shown contempt for parliament by yet again seeking to ignore votes that happen to be inconvenient. Parliamentary votes are meant to matter, this is not a debating society.

[Theresa May has used citizens as bargaining chips](#)

These are empty, hypocritical words from Theresa May. EU citizens, many in a state of panic, who have already waited 15 months to have their rights protected, will be deeply disappointed.
