

Cable: This was a speech of a brave PM with a disloyal Cabinet

“This was the speech of a brave Prime Minister struggling on, while her disloyal Cabinet colleagues openly plot against her.

Race audit – Cable challenges May

“This audit shows that prejudice and bias based on the colour of someone’s skin continues to blight people’s life chances, and this is utterly unacceptable in 21st century Britain. It is not right that our BAME friends and neighbours are far less likely to have a job or own their home – it is an unfairness that should have ended long ago.
