

[It's Time to Unmask Violence Against Women for what it really is – Violence by Men](#)

The killing of Sarah Everard shocked the nation. She was described by family and friends as “bright and beautiful”, “kind and thoughtful” and caring and dependable”. My thoughts have been with Sarah’s family ever since we heard she was missing, and my heart still goes out to them.

[Standing up for refugee children](#)

The UK has a proud history of providing sanctuary to those in need, but **this Conservative Government has turned its back on refugees – hitting vulnerable children the hardest.**

Today Liberal Democrats members have passed a motion calling for the resettlement of refugee children and families in the UK.
