

Adult social care recruitment campaign launched

The 'Social Care – Making a Difference' campaign has been developed by the Northern Ireland Social Care Council (NISCC) on behalf of the Department of Health as part of its ongoing work to reform Adult Social Care. The campaign highlights that social care staff are an integral and valued part of the health and social workforce and their work is critical to the sustainable provision of social care services now and in the future.

Treat our waterways with respect, not pollution – Poots

Members of the public, farmers and business must be respectful of our local waterways and be aware of the devastating impact of pollution, Environment Minister Edwin Poots MLA has said.

UK life-saving support for India is on its way

The world's largest cargo plane has left Belfast flying three 18-tonne oxygen generators and 1,000 ventilators as part of the UK's latest response to India's COVID-19 crisis.

Management notes for May 2021

Management Notes are prepared by staff from the College of Agriculture, Food and Rural Enterprise (CAFRE). CAFRE is a College within the Department of Agriculture, Environment and Rural Affairs (DAERA).

Air connectivity vital for economic recovery: Dodds

Northern Ireland's economic recovery needs air connectivity to return to its pre-Covid levels as soon as possible, the Economy Minister said today.
