Minister announces Microsoft to establish Cyber Security Centre in Northern Ireland

Economy Minister Diane Dodds today announced that Microsoft has chosen Northern Ireland as the location for a new Cyber Security Centre which will see the creation of up to 85 new jobs in Belfast.

Statement from Paul Duffy, Chief Executive of the Driver and Vehicle Agency

Following further inspections of lift faults in MOT centres, the contractor has not provided sufficient assurance to DVA this evening on the effectiveness of the ongoing repairs. To ensure the health and safety of staff and customers and as a precautionary measure, DVA has suspended all MOT testing for cars and light vehicles with immediate effect. Tests on heavy goods vehicles and buses will continue.
