

Electricity Consumption and Renewable Generation in Northern Ireland: Year Ending September 2019

A report detailing the percentage of electricity consumption in Northern Ireland generated from renewable sources has been published today.

Essential Skills Statistical Bulletin Published

The Department for the Economy has today published a statistical bulletin: Essential Skills Enrolments and Outcomes in Northern Ireland from 2002/03 to 2018/19.

Statistical Bulletin: Indicator 31

These statistical bulletins present data on and facilitate monitoring of population indicators informing Outcome 9 of The Outcomes Delivery Plan 2018/19: 'We are a shared, welcoming and confident society that respects diversity'. All figures are 2018 unless otherwise stated.

Statement on funding allocation to Department of Health

The annual January monitoring round process is currently underway. During this process Departments declare reduced requirements and surrender any funding no longer required to the Department of Finance for reallocation. These reallocations are normally made in January.

Department tables fresh pay offer

The Department of Health has today met with trade unions to outline fresh pay proposals to end the current industrial dispute. The new offer involves an additional £28m.
