DAERA seeks two additional members for the Tuberculosis Eradication Partnership

The Department of Agriculture, Environment and Rural Affairs (DAERA) today launched a competition to appoint two additional members to a DAERA sponsored

independent expert advisory body, the TB Eradication Partnership (TBEP), with effect from 1 January 2020.

DAERA is seeking new members for CAFRE's College Advisory Group

The College Advisory Group (CAG) provides advice on strategic and operational issues to the College of Agriculture, Food and Rural Enterprise (CAFRE) management team. The Group has 12 members and it is currently chaired by Dr Mike Johnston of Dairy UK. CAG has expertise across all sectors of the agri-food industry and there are now four positions where new members are required from 1 January 2020. These positions are in the areas of International Relations, Environment in the Supply Chain, Production Horticulture and Equine.
