

Ending Violence Against Women and Girls: Experiences and Attitudes of 16 year olds in Northern Ireland Report

The Ending Violence Against Women and Girls: Experiences and Attitudes of 16 year olds in Northern Ireland report published by The Executive Office today presents a range of statistics relating to young people's experiences of a range of violent acts and behaviours. Commentary is also provided on young people's attitudes on the acceptability of various behaviours.

Coronavirus (Covid-19) Infection Survey, Northern Ireland: Weekly Report

The Department of Health today published the next in the series of weekly results from its COVID-19 Infection Survey (CIS). The findings set out in this report relate to modelled positivity estimates for NI for the week up to the 29 September 2022. The aims of the CIS are to estimate how many people have the infection and the number of new cases that occur over a given time as well as estimating how many people have developed antibodies to COVID-19.
