Greens pledge to support repeal of new Rwanda deportation law

Green Party

23 April 2024

Responding to the Rwanda Bill completing its parliamentary stages, Green Party co-leader Carla Denyer said:

“I don’t want people risking their lives crossing the channel in small boats. But the way to stop that isn’t this punitive, inhumane approach. It’s providing safe and legal routes for people to apply for asylum from overseas, and working to fix the reasons that people are having to claim asylum – including wars and the climate crisis.

“This new Act is simply a very expensive way to be cruel. We need to get the

humanity back into our refugee policy and Green MPs will certainly seek this Act's repeal after the General Election.”
