<u>Final countdown to Glasgow's 'festival</u> <u>of sport' is on</u>

The World Cup, Wimbledon, the Tour de France – this summer has been all about sport.

<u>Tories will have a heavy price to pay</u> <u>for ignoring Scotland</u>

It's hard to imagine how the UK Government's Brexit negotiations could possibly get any more shambolic – but lasy week they managed to trash their own Brexit plan, just days after launching it.

Fired up and ready to go

You might have heard... the SNP are holding three National Assemblies where we will debate and discuss the recommendations of the Sustainable Growth Commission.

<u>President Donald Trump could threaten</u> <u>very fabric of democracy</u>

Some people still try to defend Trump and his deeply unwelcome visit. What his supporters usually say is: "It is important to respect the office of the president." The answer to that is: "We will – when he starts to."
