

Scotland is well placed to build a fairer disability benefit system

This week the MS Society launched their report 'PIP: A step too far' which outlined the impact of the '20 metre rule' – the rule that bars anyone who can walk that distance unaided from receiving the enhanced rate of PIP – has had on those living with multiple sclerosis.

Two years on from the Brexit referendum: here's what we know

On 23 June 2016 Scotland voted decisively to remain in Europe. Since then the Tory government has been so riven by infighting that they are left united on just one issue – a power grab on the Scottish Parliament which rips up the founding principles of devolution.
