

## [Our action to support nurses](#)

Nurses are the superheroes of our healthcare system. They are there for us when we're at our most vulnerable, are entrusted to care for our loved ones and even help us bring our children into the world.

## **Scotland has made great steps in LGBT issues but its time to speak up for transgender equality**

This week marks the start of LGBT History Month. The annual celebration across Scotland recognises the contribution lesbian, gay, bisexual and transgender people have made to our society, and raises awareness of the history of the LGBT rights movement.
