

[We must never stop believing in Scotland's potential](#)

Ten years ago SNP delegates met in Aviemore for our annual conference. In May of that year we had won the right to form Scotland's first SNP Scottish Government and quickly got to work in "Leading Scotland Forward".

[Theresa May's speech: what the Prime Minister didn't mention](#)

Theresa May addressed the Conservative party conference in Manchester today. While the Prime Minister focussed on holding together her divided government, she failed to mention the deep divisions her government is creating in society.

[Working with our Nordic and Baltic neighbours](#)

Today the Scottish Government set out their policy for engaging with the Nordic and Baltic countries. With Brexit on the horizon, it's more important than ever that we continue to have strong links with our closest neighbours.

[We back Dundee and Paisley's culture city bids](#)

Today Paisley's MSP George Adam will lead a debate in the Scottish Parliament backing the Paisley 2021 UK City of Culture bid and Dundee's bid for the 2023 European Capital of Culture. Here's what George, and Dundee West MSP Joe FitzPatrick, had to say ahead of the debate.
