

[Labour should commit to retaining membership permanently](#)

Jeremy Corbyn has been visiting Labour's Scottish "branch office", where the only thing they can agree on is that they pretty much disagree on everything.

[SNP and Labour policies compared](#)

Jeremy Corbyn seemed a bit confused this week about the SNP's policies... and Labour's policies. Here's a handy guide of where we stand – and where his own party stands – on key issues.

[Helping young people afford a home of their own](#)

We want everyone in Scotland to be able to afford a home of their own. We know that for far too many young people who want to rent or buy a home it's an ambition that is often beyond their reach. We're working to change that – here's how.
