UKIP mourns loss of strident supporter

The United Kingdom Independence Party is deeply saddened to hear of the death of party member Calvin P. Chapman. Our thoughts are with Mr. Chapman's family at this difficult time.

Mr. Chapman was the Chairman of UKIP Manchester and Secretary of UKIP Greater Manchester. He stood as a UKIP candidate at the 2015 General Election for the Stretford & Urmston seat, and at the 2017 election in Manchester Central. He was an excellent and committed campaigner who believed in Britain.

UKIP Leader Gerard Batten said:

"I am very sorry to hear the sad news of the death of Calvin Chapman. On behalf of the Party I offer our commiserations and sympathies to his family and friends. He will be missed by the Party and his colleagues."

BREXIT MEANS EXIT

AN ECONOMY THAT WORKS FOR ALL

[Download Our Manifesto Here](#)

Local elections are about local issues but there are also an opportunity to vote on national issues.

Our UKIP candidates will stand on local issues but they also give voters a chance to vote on some of the big issues that UKIP stands for, e.g.:

- Brexit – a complete exit from the European Union. Brexit Means Exit!
- Immigration – And end to the age of mass uncontrolled immigration, and its replacement with a controlled and limited immigration system.
- An economy that works for all – polices that produce jobs, homes and decent standard of living for all.

If local elections are taking place in your area then please do what you can to help your local UKIP candidate. Contact your local branch for details.

Yours sincerely,

Gerard Batten MEP
UKIP Leader
