â€‹The Government today (January 24) gazetted the United Nations Sanctions (Yemen) Regulation 2019 (Amendment) Regulation 2025 (the Amendment Regulation), which came into operation today.

â€‹"The Amendment Regulation amends the United Nations Sanctions (Yemen) Regulation 2019 to give effect to certain decisions relating to sanctions in the United Nations Security Council (UNSC) Resolution 2758 in respect of Yemen," a Government spokesman said.

The amendments renew the financial sanctions and travel ban.

The Hong Kong Special Administrative Region Government has all along been implementing fully the sanctions imposed by the UNSC. The Amendment Regulation aims to give effect to the instructions by the Ministry of Foreign Affairs for fulfilling the international obligations of the People's Republic of China as a Member State of the United Nations.
