

University of Dundee Candlelit Carol Service

The University of Dundee's annual service of Carols by Candlelight will take place tonight at 5pm and will return to St Paul's Cathedral at 1 High Street.

The service takes the form of nine lessons/poems and traditional carols. The singing will be led by the University Choirs who will also contribute a number of choral pieces. There will be a reception with mince pies and mulled wine after the service.

University Chaplain, Rev Dr Fiona Douglas says, "The Carol Service is one of the highlight of the University year when staff and students, their families, and the local community come together to mark Christmas."

All welcome!
