

Unmistakably welters

WOW **Cemetery Villages** are typically based around their **Memorial Housing and Mausolea Interment Systems**, which are both designs exclusive to **welters**[®]. This range of systems has been manufactured by the company for over twenty years and is installed in cemeteries and crematoria nationwide. The style is instantly recognisable as '**brand welters**[®]' and when combined with other WOW architectural components provides the cornerstone trademark look of a classic **welters**[®] **Cemetery Village**[®] scheme.
