

VMD email address: the old gsi address will not work from 1 April 2020

The VMD moved to its new email address; @vmd.gov.uk on 9 August.

Any emails to our old address @defra.gsi.gov.uk are currently being re-directed to our new address. This will stop at the end of March 2020. Any emails sent to our old address from then on will not reach us.

We ask that all our stakeholders use our new @vmd.gov.uk address exclusively from now on.
