

We need tax cuts for growth and enterprise

Margaret Thatcher and her Chancellors cut Income tax from 33% to 25%.

She cut Top rate Income tax from 83% to 40%

She cut the tax on savings Income from 98% to 40 %

She cut Corporation Tax from 52% to 34%

Rishi Sunak increased the Corporation tax rate by 31% to 25%

He raised the NI rate by 10%

He imposed a new Digital services Tax

He imposed a windfall tax

He invented a Social Care Tax

And then he wants us to believe he can be the new Margaret Thatcher!
