

[Webinar on ESMA and EIOPA's ASRs on cost and performance](#)

ESMA and EIOPA have published their third reports on the cost and past performance of [retail investment products](#), [insurance-based investments products](#) and [personal pension products](#).

A joint ESMA-EIOPA event to share the findings of both reports will take place on 21 April 2021. During this webinar you will see a presentation of the reports, which will be followed by a Q&A session.
