Lochee Road (at Blinshall Steet) – overnight (7:00pm to 6:00am) temporary traffic lights Monday 13 February for Scottish Water investigation work.

Glamis Drive – road closure on Monday 13 February for CityFibre works.

Dunmore Drive/Gardens – closed Thursday 23 February for 5 days for carriageway resurfacing.*

* On this work in Dunmore Drive/Gardens postponed from late 2022, we sought assurances from the City Council that the work will take place in early 2023. We have been advised as follows from the Senior Engineer – Roads Maintenance Partnership :

“At present all being well, the works are currently programmed for the last week in February, first week in March.

The only sticking point is with the increases in the Bitumen prices there may be a possibility that the works may be postponed until after March. I am currently working out the likely outturns for the works on site now against the budget so should have a better idea by the end of (this) week.

Once this has been completed I will let you know.”
