Riverside Drive at Dundee Railway Station – eastbound nearside lane closure for 6 weeks for footway works.

Tullideph Road (at City Road) – lane closure for one week for Scottish Hydro Electric cable works.

Forthcoming Roadworks

Lochee Road (Polepark Road to Gardners Lane) – closed on Sunday 11 February for Scottish Water reinstatement works.

Glamis Road * (Blackness Road to Dickson Avenue) – off-peak (7.30pm – 6.30am) temporary traffic lights on Thursday 15 and Friday 16 February, then closed from Monday 19 February for up to 10 days for footway and tree works.

* Glamis Road at this section was originally to be closed from Monday 29 January for 10 days for forestry and footway works. I queried both residents' access and bus diversion arrangements and on the latter matter, the council decided to put back the works to mid-February to enable discussions and agreement with the bus companies on diversions for the services 5, 73 and 204. I will do an update on this closure in the next few days.
