

Welsh Government to invest over £2m to develop Welsh ports

The Ports Development Fund will support the growth of Welsh ports, helping ensure they continue being a key contributor to economic growth and providing opportunities for new jobs within the industry.

Economy Minister Ken Skates said:

“It’s clear that continuing and improving links both within Wales and internationally is as important today as it has ever been, and our ports play an important role in this regard.

“We want to see our ports continue to contribute on a local, regional and national level, helping drive a more prosperous and united Welsh economy and I’m delighted to announce this new fund today, which will see our ports come forward with proposals for how best they would use public funding to achieve this.

“I look forward to seeing the proposals and to carry on working with ports across Wales to build on the good work already evident, ensuring they are ready to overcome any challenges and maximise all opportunities.”
