

[#WestEndDecides – event on Monday!](#)

As I have already publicised, Dundee's Participatory Budgeting process "Dundee Decides" is now live – you can read more at [vote here](#).

If you live in Dundee, please go onto the site, select the ward in which you live (eg West End) and select which of the six identified projects you would like to see funded and delivered by the City Council.

You have until 23rd March to vote.

There's a West End drop-in event on Monday – 26th February – 2pm to 6pm at Blackness Library – where you can find out more – all welcome!
